Subject: RE: PRP Search Funding is Available Now

Team – I will be contacting each of you individually to offer my support as you prepare tasking documents for any new PRP Search work you would like contractor support on.

Subject: extramural budget - get those PRs done!

So, we now have enough money to fund pretty much everything – please please please get your PRs done ASAP – remember the funding deadlines (mid-August) AND the fact that EAS will be down starting July 9th for about 3 weeks (and we will not be able to fund anything). Thanks!

Key: peach = funded, light blue = approved for funding, dark blue = waiting for now
